MINUTES OF THE GENERAL COURT

MAY 13, 1915

THE Seventeenth General Court of the National Society of the Daughters of Founders and Patriots of America was called to order by the National President, Mrs. William Van Zandt Cox, in the Oak Room of the Raleigh Hotel at 11 o'clock A. M., May 13, 1915.

The National Officers and representatives from many of the State Chapters in Connecticut, Pennsylvania, Virginia, District of Columbia and Maryland were present. After the roll call, with salutation to the Flag, in which all joined, the Lord's Prayer was repeated. The National President welcomed both members and guests of the Court in a most charming address. The minutes of the previous Court were read and approved.

CONFERENCE REPORT.

ANNUAL CONFERENCE OF THE D. F. P. A., HELD APRIL 17, 1915, AT 8 P. M., AT THE RALEIGH HOTEL.

The Conference was called to order by the National President, who greeted all most cordially. There was in attendance an interested and enthusiastic gathering of members from many States.

The President spoke of several subjects which were of vital interest to the Society, and asked Mrs. Boynton to give the action of the Executive Committee in rescinding the proxy vote. Mrs. Boynton stated that a proxy vote had seemed wise when the Society was small. Now, however, the proxy vote was becoming burdensome. The Executive Committee rescinded its action with the hearty approval of the Conference.

After a general discussion, it was decided that the period to be covered by the Year Book be from May 13th to May 13th, and that Chapter reports be sent to the National Recording Secretary not later than May 13th, and that the annual dues be sent to the National Treasurer by May 1st.

After discussion as to the advisability of requiring the Nominating Committee to place two names on its slate for each office, Mrs. Myers suggested that the Nominating Committee should put but one name in nomination for each office. This would allow the choice to center on one person, whom the Committee thought well fitted for the position named. She made it very clear that this did not take from the Chapters the right to suggest a name or names for any office, nor did it prevent nominations from the floor. Whereupon, Mrs. Florence E. Holmes, President of the Massachusetts Chapter, moved "That the General Court be asked to rescind the requirement of two names for each office on the ballot made out by the Nominating Committee." This was seconded and passed. At this point the President brought to the attention of the Conference that by the Constitution of the Daughters of Founders and Patriots of America no vote could be pledged.

The Year Book was next discussed. Mrs. Draper suggested that the entire lineage be bound separately and sold at, say, \$1.00 per volume. After discussion it was moved that a committee of three be appointed to decide what was best to do before taking final action. This was carried. The three named were Mrs. Draper, Mrs. Pealer, and Mrs. Jones.

The President here spoke of the saving on the cost of the printing of the Year Book, and stated that one-half of the cost of last year and the whole cost of this year had been paid.

Mrs. Myers suggested that Officers and Chapters make reports as short as possible for the Year Book. Mrs. Fernald and Mrs. Foster suggested that it be recommended to the General Court that the histories in future sell for 50 cents plus postage.

MINUTES OF THE GENERAL COURT

MAY 13, 1915

THE Seventeenth General Court of the National Society of the Daughters of Founders and Patriots of America was called to order by the National President, Mrs. William Van Zandt Cox, in the Oak Room of the Raleigh Hotel at 11 o'clock A. M., May 13, 1915.

The National Officers and representatives from many of the State Chapters in Connecticut, Pennsylvania, Virginia, District of Columbia and Maryland were present. After the roll call, with salutation to the Flag, in which all joined, the Lord's Prayer was repeated. The National President welcomed both members and guests of the Court in a most charming address. The minutes of the previous Court were read and approved.

CONFERENCE REPORT.

ANNUAL CONFERENCE OF THE D. F. P. A., HELD APRIL 17, 1915, AT 8 P. M., AT THE RALEIGH HOTEL.

The Conference was called to order by the National President, who greeted all most cordially. There was in attendance an interested and enthusiastic gathering of members from many States.

The President spoke of several subjects which were of vital interest to the Society, and asked Mrs. Boynton to give the action of the Executive Committee in rescinding the proxy vote. Mrs. Boynton stated that a proxy vote had seemed wise when the Society was small. Now, however, the proxy vote was becoming burdensome. The Executive Committee rescinded its action with the hearty approval of the Conference.

Mrs. Draper moved that it be recommended to the General Court that the printing of the lineage be suspended for one year, and that the lineage books on hand be bound together with a short history of the Society, and with the names of the present National Officers. Mrs. Mussey spoke strongly against such action. Mrs. Pealer objected to the fact that the lineage was placed in the back of the book and expressed a desire to have history and lineage separate.

It was moved to divide Mrs. Draper's motion. The two questions were voted on separately and both lost.

The President spoke of the fine work of Mrs. Pealer and Mrs. Draper on the lineage. The President reminded the Conference that all members of Chapters must be paid up, and that all Chapters must have a full quota of officers in order to vote at the General Court. Conference here adjourned.

Respectfully submitted,

EMMA CULVER JONES,
National Recording Secretary.

RECORDING SECRETARY'S REPORT.

GENERAL COURT, *May 13, 1915.*

During the past year the Executive Committee has held nine meetings, two of which were specially called by the President, Mrs. Cox. These meetings were well attended and much business transacted as a result of the steady growth of the Society. It is a pleasure to work when one's heart is interested. This is the sentiment of each member of your Executive Committee. This same interest is reflected in the chapters and has manifested itself in many ways; such as by gifts, invitations and expressions of good will. Among the gifts we have received is a book of rare value, sent through the Connecticut Chapter by two of its members, who copied by hand the inscriptions on all the tombstones in an old cemetery in Connecticut; another, a photographic copy of a Revolutionary muster roll given by Mrs. Martin, our Corresponding Secretary; and another, a history of the descendants of Robert Bartlett, presented by

Mrs. M. A. Longfellow; and several genealogical periodicals, all of which are greatly appreciated by the National Society.

The value of our own Year Book with the lineage of our members is appreciated more and more, as is manifested by the number of demands we have for copies each year from libraries and individuals, and by the donations of money for its publication from both chapters and members.

New chapters are forming and far-away California may be added to our list before many months.

The Pennsylvania Chapter rendered signal service to our society when it placed our insignia on the beautiful bronze door which they donated to the Washington Memorial Chapel at Valley Forge in memory of the foreign allies who rendered such valuable aid to General Washington during the Revolution. This was a wonderful achievement for one chapter and we are justly proud of it.

Our Kansas Chapter, through Mrs. Shelton, has extended an invitation to all members of the Daughters of Founders and Patriots of America to meet with them at the Panama Pacific International Exposition at San Francisco, where in the Kansas building the Kansas Chapter will have a Daughters of Founders and Patriots of America headquarters for the entertainment of all members of the Society during the Exposition. We sincerely hope with the Kansas Chapter that many of us may be able to avail ourselves of its hospitable invitation.

It is with regret that I mention the resignation of our National Corresponding Secretary, Mrs. Potts, to take effect immediately after the General Court. Death has robbed us of some of our earnest workers.

From my report you can see that the deeds that I have had to record during the past year have been such as to make us one and all justly proud of our Society, the Daughters of Founders and Patriots of America. May the good work continue.

Respectfully submitted,

EMMA CULVER JONES,
National Recording Secretary.

CORRESPONDING SECRETARY'S REPORT.

The report of the Corresponding Secretary covers the period from May 9, 1914, to May 13, 1915.

Each person admitted to the organization during the year has been sent a current history, a constitution, and a membership card. Histories sent, 627; constitutions, 643; membership cards, 47; letters, 278; cards, 303. Total pieces of mail sent, 1,373. Letters received, 158; cards, 124. Invitations were sent to all members at large for the Conference and for the General Court, and for the luncheon by Mrs. Myers.

Resolutions of sympathy were sent to the Pennsylvania Chapter on the death of their honored president, Mrs. Getchell.

Among my pleasantest duties has been the conveyance to the National Society from the Connecticut Chapter of a collection of inscriptions and epitaphs copied from the old headstones in the East Haven Cemetery. The quaint and interesting collection was the result of a patriotic desire to preserve these precious records of the past by two of our members, Mrs. Annie S. Talbot and Mrs. Mary A. C. Knous of New Haven. If all our members were to make similar collections, we would be able to contribute some valuable material to the Genealogical Libraries of this country.

Respectfully submitted,

MRS. CORNELIA ROSS POTTS,
National Corresponding Secretary.

REGISTRAR'S REPORT.

Madam President, Members of the General Court and Friends :

I herewith present the following report from May 13, 1914, to May 13, 1915 :

Letters received	198
Letters written	200
Postals received	21
Permits issued	30
Applications received	52

Have issued 79 application blanks, 76 endorsement blanks and 204 preliminary blanks to Chapter Registrars and members-at-large; 52 members have been admitted during the year—14 were members-at-large, 6 from New York, 3 from Illinois, 2 from the District of Columbia and 1 each from Alabama, Iowa, and Ohio.

Connecticut leads the Chapters with 7 new members; Arkansas, Massachusetts, Pennsylvania, Virginia and Wisconsin, 4 each; District of Columbia and Illinois, 3 each; Missouri and New York, 2 each; and Maryland, 1.

I must repeat my former warning to Chapter Registrars against carelessness in examining and verifying preliminary papers. The preliminary blanks have been furnished by the National Society in order that lines and service may be verified before the final application blanks are issued. This prevents expense to the applicant if her data is found insufficient to meet the requirements of the Society.

In electing officers, Chapters should elect as Registrars women of a genealogical "turn of mind," women who will take an interest in tracing family lines correctly.

As the compiling of the records for publication progresses, the committee sees clearly the necessity for complete lines, with dates and places of birth and death in each generation. As a chain is only as strong as its weakest link, so in genealogy the line is weak if but one generation is lacking in dates and proof.

It is of far more value that we have a small society, strong in unshaken ancestral lines, than a large membership with incomplete and questionable records, supposititious records that can not be proven.

During the past year 100 new records have been printed, 200 to 300 inclusive, and the compiling of the following one hundred is now under way.

Respectfully submitted,

RUTH M. GRISWOLD PEALER,
National Registrar, N. S. D. F. P. A.

HISTORIAN'S REPORT.

Madam President and Ladies of the General Court :

The work of the Historian has chiefly been the collection of the traditional records or stories. Forty-five letters have been written, and many interesting replies have been received. I would especially mention the valuable contribution sent by Miss Helen Mason of the Pennsylvania Chapter, a photographic copy of a letter written in 1678 by Captain Hugh Mason. The letter, which is a very curious old document, was written to the much honored Governor.

Much information has been promised but none received. Each member is requested to send the National Historian

any unpublished historical data, not genealogical, that may be in her possession—the traditional fireside tales, handed down by word of mouth from generation to generation. Old diaries that tell of daily events often yield matter of absorbing interest. The *work* of the National Society of Daughters of Founders and Patriots of America is the *gathering* and *preserving* of genealogical records of Colonial times and not restoration work.

Respectfully submitted,

CATHERINE L. BURKHOLDER,
National Historian.

Mrs. Myers, chairman of the Auditing Committee, reported that the Treasurer's books had been audited and found correct.

REPORT OF THE FLAG COMMITTEE.

The Maryland Chapter of the Daughters of Founders and Patriots of America celebrated in Baltimore, September 6th to 14th, 1914, the one hundredth anniversary of the writing of our National Air, The Star Spangled Banner, by Francis Scott Key. Ours is the oldest NATIONAL Flag in existence. In these days, when the flags of so many countries float over sad scenes, caused by war's desolation, we of this land should earnestly work, hope and pray that *our* "broad stripes and bright stars" may unceasingly wave over a land where *peace* shall ever dwell.

Respectfully submitted,

FRANCES HARRISON CORBIN,
Chairman.

Mrs. Cox told of an invitation by telegraph from the manager of the Panama-Pacific Exposition of San Francisco to the Daughters of Founders and Patriots of America to have a special day at the Exposition. Mrs. Cox asked the Corresponding Secretary to answer the invitation and state that the Society was not financially able to arrange a special entertainment.

The Connecticut Chapter presented, through Mrs. Goodwin, a hand-written book, by Mrs. Mary A. Knous, of the inscriptions on tomb stones in the old cemetery at "Plymouth Hollow," now Thomaston, Conn. The book was accepted with many thanks and great appreciation of its value.

Mrs. Main, after stating that the name of Mrs. Rose McHenry Brackett had never been engraved on the stone under that of her husband's at Arlington, asked that the Society appropriate the money to have it done. Mrs. Potts offered the motion and Mrs. Boynton and others seconded it. The President appointed Mrs. Main, *chairman*, Mrs. Boynton and Mrs. Beach as a committee to investigate and see if this could be done under the terms of her will.

Mrs. Corra Bacon Foster moved that the National Society of Daughters of Founders and Patriots of America in General Court assembled respectfully submit to the President of the United States the following resolution: "*Resolved*, That the President be asked to suggest to the parties erecting the building in Honor of the Women of the Civil War for the accommodation of the American Red Cross that a suitable memorial to Miss Clara Barton, the Founder of the American Red Cross, be placed therein." This was seconded by Mrs. Boynton, Mrs. Mussey, and many others who had actually worked with Miss Barton. Mrs. Boynton spoke in loving memory and paid the highest tribute to the great heroine.

Mrs. Ellen Spencer Mussey also added her testimony as to the deeds of international glory and unselfishness of this wonderful woman who was the first President of the American Red Cross.

The President was requested to appoint a committee to ascertain all accurate information available on the subject.

Mrs. Holmes moved that a letter be written to the President of the United States. This was seconded and passed. The whole matter was left in the hands of the Executive Committee. Mrs. Stansfield moved, seconded by Mrs. Beach, that the action of the Executive Committee be ratified. Passed.

CONNECTICUT REPORT.

Madam President, Daughters of Founders and Patriots of America:

One more year in the life of our Connecticut Chapter has passed into history and it is my privilege to-day to bring to you a brief outline of the year's activities.

The thirteenth annual meeting was held at the Stratfield, Bridgeport, on February 18, 1914. The morning session was devoted to the hearing of reports, election of officers and new members, and other routine business. An excellent luncheon was served at one o'clock to our members and their guests. An afternoon of song attended by about four hundred was given in the hotel ball-room where solos and duets were rendered by New York talent which received much enthusiastic appreciation. Mrs. Ella Wheeler Wilcox was our guest of honor.

The social meeting was held in Mrs. Thorpe's Tea Room, Waterbury, on June 19th. The business session of the Chapter was preceded by an attractive luncheon and followed by interesting reports from our delegates to the Conference and General Court of the National Society. The program of the afternoon consisted of several musical selections which were greatly enjoyed.

The Historical meeting was held October 27th at the Racebrook Country Club, New Haven, where luncheon was served to members and guests. During the business session a most delightful paper, "Woman and her Achievements," was read by our Historian, which was followed by a musical program.

It is with keen sorrow that we report the death during the year of Mrs. C. A. Hotchkiss, Mrs. J. T. Sterling and Mrs. A. B. Fairchild.

The chapter was the recipient in October of the generous gift from our president, Mrs. Armstrong, of an attractive Roster and from Mrs. Knous of copies of inscriptions on old gravestones in East Haven and Plymouth, which have been sent to the National Society for preservation.

It is now fourteen years since eight patriotic women, by invitation of Mrs. Noble and Mrs. Belden, met in Norwalk and organized the first chapter of the Daughters of Founders and Patriots of America. The years which lie between have been most pleasant.

Our Chapter has held its three annual meetings, preceded by the meetings of the Executive Board, and a spirit of harmony and good fellowship has been maintained. The membership has steadily increased until we now number one hundred and eleven.

Respectfully submitted,

FLORENCE A. WAKEMAN,
Secretary.

NEW YORK REPORT.

The Chapter has held eight business meetings during the year. There have been two deaths, Mrs. Montgomery Schuyler and Mrs. Albert W. Berg. We have two new members and there are now seventy-two names enrolled.

A great bereavement has befallen our beloved President, overwhelming her with the double grief of losing husband and son.

Patriotic, social and business meetings have been well attended. At the May meeting Miss Katherine Davis presented a handsome silk flag to the Chapter in a delightful patriotic address. Mrs. David Carr made a charming response. These were followed by music and delicious refreshments.

Respectfully submitted,

ELLA E. BRADLEY,
Recording Secretary.

FLORA VAN LOAN,
Corresponding Secretary.

PENNSYLVANIA REPORT.

As the new President of Pennsylvania Chapter I have the honor to report an increased membership and continued interest in our work.

In October, 1914, we dedicated our offering to the Washington Memorial Chapel at Valley Forge with a deep appreciation of the privilege of placing the Insignia of the Daughters of Founders and Patriots of America in that sacred place where George Washington prayed for the success of the American Army.

The door that the Pennsylvania Chapter gave is in memory of the brave Foreign Allies who rendered aid to Washington and the American Army at a time when our Army was almost in despair.

In speaking of the Allies who rendered aid to Gen. George Washington we refer especially to those brave men who came from France with the permission of Louis Sixteenth.

It may be well to quote from the order given by Washington for the Memorial Service in Celebration of the French Alliance on May 5, 1778:

"It having pleased the Almighty Ruler of the Universe propitiously to defend the cause of the United States of America, and finally by raising us up a powerful friend among the Princes of the Earth, to establish our Liberty and Independence upon lasting foundations, it becomes us to set apart a day for gratefully acknowledging the Divine Goodness and celebrating the important event," etc., etc.

The important event was the signing the treaties of Amity and Commerce between France and the United States on February 6, 1778.

Our door contains the heraldic devices of ten of these brave allies. It was difficult to limit the number to ten but we had not enough space for more. They are Lafayette, Rochambeau, Du Gourion, Du Portail, D'Estaing, Lauzun, Pulaski, De Grasse, Von Steuben, De Kalb. These are with the shield of France under Louis Sixteenth and the shield of George Washington and the United States and our Insignia. This door leads from the Chapel into the Porch of the Allies. At our dedication services we had addresses from Andrew F. West, the Dean of the Graduate School at Princeton University; Bishop Thomas F. Garland and Rev. Wm. Herbert Burk, Rector of the Chapel, who

accepted the door from the President of the Pennsylvania Chapter.

Respectfully submitted,

SARA PATTERSON SNOWDEN MITCHELL,
President.

MASSACHUSETTS REPORT.

In every way our closing year has been a most prosperous one. The usual meetings have been held, with good attendance, interesting programmes, and the social hour, which means so much to the mutual friendships of our scattered members.

Six new names have been added to the list, and two erased by death. The vacancy in the office of Vice-President, caused by the death of Mrs. Georgia Tyler Kent, of Worcester, was filled by the election of Mrs. Clinton Gowdy, of Springfield. At the October meeting the Chapter voted to devote its winter's work to the afflicted Belgians, and in December a special meeting was called for the purpose of receiving, packing and shipping (through the Belgian Relief Committee) knitted articles and clothing for *Belgian babies*. Very generous was the response, and a large donation was forwarded. Fifteen dollars have been sent to the American International College. The Chapter retains membership in the Society for the Preservation of New England Antiquities. Legislative "Hearings" are attended by our representative, and we are striving to "make good" in that high calling for which we are organized.

CAROLINE P. HEATH,
Recording Secretary.

MICHIGAN REPORT.

The fall meeting of the Chapter was held at Ypsilanti, Michigan, November 2, 1914, where twelve of the members were generously entertained with a luncheon at the home of the Vice-President, Mrs. William B. Hatch.

At the March meeting (16th) of the Chapter Mrs. C. M. Metcalf and Mrs. F. T. Ranney were elected delegates to represent the Chapter at the conference of the National Society.

At the Detroit Opera House the Michigan Chapter, for the past eight years, has conducted a celebration of Flag Day June 14. But at the invitation of the Society of Elks, it yielded to them the duty of celebrating the day for 1914.

Respectfully submitted,

(Mrs. F. T.) ELIZABETH BALCH RANNEY,
Recording Secretary.

VIRGINIA REPORT.

Madam President and Ladies of the Court:

Our work in the Virginia Chapter for the past year has been largely in securing new members. It is therefore with much pleasure that I report five new members and the papers of five others in the hands of the National Registrar.

We have in the past done much for Old Falls Church. We hope soon to place a monument to the memory of the Rev. George Summerville, through whose untiring efforts the Old Falls Church was restored to its present beauty by our National Society. His grave is unmarked.

We have made a contribution this year toward the printing of the Year Book of the National Society. Our Chapter meetings have been very enjoyable.

Respectfully submitted,

ESTELLE V. CALLENDER,
President.

DISTRICT OF COLUMBIA REPORT.

We have 34 members. One has resigned, 1 has been transferred, and 4 new members have been admitted during the year. We have 1 life member.

At each of our monthly meetings, after routine business, we have one Family paper and one Colonial paper given by members of the Chapter, followed by a social hour with refreshments.

At our May meeting we appropriated ten dollars toward the expense of the Year Book of the National Society. The Chapter was organized in the spring of 1908 and has always had its own Year Book. We have found that this adds materially to the interest and success of the Chapter.

Respectfully submitted,

MARY E. ST. CLAIR,

President.

MARYLAND REPORT.

Madam President and Members of the Court:

The Maryland Chapter has no special work to report for this year, although it has a recognized position in the State and was officially represented on the following occasions:

Our Chapter was represented by its President at the Francis Scott Key celebration in Baltimore in September and was present at the unveiling of the bronze tablet to his memory at historic Fort McHenry, also at other notable occasions during the Centennial, which commemorated the writing of the National Anthem, and the Battle of North Point.

The President of our Chapter was invited to make an address at the State Conference of the Daughters of the American Revolution last November on the work and qualifications for membership in the Daughters of Founders and Patriots of America.

The Corresponding Secretary upon request furnished an article on the Society for "The Patriotic Marylander."

We record one member passed away, Mrs. E. W. Fulton, and one admitted to membership, Mrs. G. W. Slocum. Death has also claimed three officers, so the Chapter has

little spirit at present for any work of a public character ; however, we have much encouragement for the future.

We send thanks and appreciation for the fine History and Lineage Book, compliments and good wishes to the National President and officers.

Respectfully submitted,

ANNIE FULTON AGNUS,
President.

WISCONSIN REPORT.

Madam President and Members of the General Court :

The Wisconsin Chapter of this honorable Society feels a pardonable pride in its progress during the past year. Our membership is now thirty with four more papers being prepared under the watchful eye of our Chapter Registrar. Interest in the Society is much increased. The words Daughters of Founders and Patriots seem to mean more, and the lineage in unbroken line in one name appeals more strongly than the titles and records of the other Colonial Societies. At the annual meeting all the officers, excepting the Historian, who declined, were reelected.

Through the efforts of our former Historian, members are preparing family papers. A few are read at each meeting and are most interesting. Later they must prove to be of much value.

We have had two regular meetings with good attendance. We joined with the other Colonial Societies in giving a reception to Mrs. William Cummings Story, President General of the Daughters of the American Revolution, when she visited Milwaukee last October. We have presented a large American flag to the Boy Scouts of St. Paul's Church, Milwaukee.

In the death of Mrs. Charles Catlin we have lost a most valuable and earnest worker.

Respectfully submitted,

MARY LOUISE ATWOOD,
President.

MISSOURI REPORT.

Missouri sends greetings and is very sorry that no representative can attend the General Court this year.

Mrs. Mason G. Smith, one of our Charter members and our Historian, entered life eternal last August, and we held a memorial meeting at the residence of Mrs. J. N. Booth, December 4th, and elected Mrs. E. G. Tutt, Historian to fill the vacancy.

We have held two meetings during the year with a good attendance. Two of our members, Mrs. A. F. Brookmire and Mrs. E. A. Norris, attended the Conference in Washington, April 17th.

All our dues are paid and as we now have 21 members, we will send our contribution of \$5.25 to the National Society this year for the printing of the History.

Cordially yours,

ELIZABETH H. DELAFIELD,
President.

ARKANSAS REPORT.

Madam President and Members of the General Court:

Another year has passed, and as President of Arkansas, I have the honor to present my fourth report.

We Arkansas Daughters have been very much interested in patriotic education, and have had the pleasure of contributing "our mite" to the Helen Dunlap Memorial School, a most deserving institution, a Christian home and school for "Mountain Girls," located at Winslow, Arkansas. We have also given aid to the patriotic work of our Public Schools.

During the year we have added four new members to our roll, and several are diligently searching for their lineage.

It was the pleasure of several members of the Chapter to attend the Conference in Washington, on April 17th. It is indeed a regret to every one of us, that we, one and all, can not be present at the General Court.

With sweet memories of the past, and bright plans for the future, our Arkansas Daughters are going steadily forward with the patriotic work for which we stand.

Respectfully submitted,

STELLA PICKETT HARDY,
President.

KANSAS REPORT.

Madam President and Members of the General Court :

I have the honor of submitting the second annual report of the Kansas Chapter of the Daughters of Founders and Patriots of America.

We held our June meeting in Leavenworth, where our members in that city entertained us at a week end, and gave us a beautiful luncheon. Other meetings have been held in Topeka, and we have had some social function at each meeting.

Our work with the early Indian history is progressing. We have had some interesting papers by our members, prepared after personal investigation of the tribes still living in our State.

We have been successful in locating the grave of Governor Wm. Walker, who was a Wyandotte Indian and the first Provincial Governor of the Kansas and Nebraska territory. He hope to place a marker over his grave this fall.

Through the efforts of some of our members and the kindness of our State Commissioners, the headquarters of our National Society will be found in the Kansas Building, at the Panama-Pacific Exposition, at San Francisco, where our Corresponding Secretary, Mrs. Van Tuyl, official hostess of Kansas, will be pleased to welcome you. We hope you will all visit us there.

With greetings from our chapter,

Respectfully submitted,

HARRIET HANDY SHELTON,
President.

The Court here took a recess for a social hour, during which time Mrs. Myers, one of our councillors and an ex-President, entertained the members and guests of the General Court at a delightful luncheon. Mrs. Myers, acting as the gracious hostess, received us at the door of one of the beautiful parlors of the hotel, which had been specially arranged and decorated for the occasion. After a most delicious luncheon, we returned to the afternoon session.

Mrs. Martin suggested that the Society adopt a gold bar to be worn on the ribbon to designate that the wearer entered the Society on two lines. She also suggested the adoption of a recognition pin. Said pin to be small, inexpensive, and appropriate to wear on all occasions. After a general discussion, Mrs. Martin moved that the question of a bar or bars be left for some future time. Passed. It was unanimously passed to have a recognition pin. The President was asked to appoint a committee to select a design, etc.

At this point mention was made of the fact that in some cases the center of the insignia of the Society was insecure. It was stated by a member that in such cases Caldwell & Co. would repair without charge.

The chairman of the Nominating Committee read the nominating slate as presented by the Nominating Committee, composed of Mrs. Boynton, chairman ; Mrs. Myers, Mrs. Johnston and Mrs. St. Clair.

Nominations for Councillors :

Mrs. Esther Noble, D. C.
Mrs. Charlotte Main, D. C.
Mrs. Stephen J. Murphy, D. C.

Retiring Councillors eligible for re-election :

Mrs. Chas. D. Norton, Nebraska.
Mrs. John S. Bukey, D. C.
Mrs. Thos. H. Johnston, D. C.

To fill Mrs. Potts' *unexpired term* as Corresponding Secretary :

Mrs. Mary L. Martin, D. C.

Signed by members of committee.

Mrs. N. N. Potts was nominated for councillor by the Maryland Chapter. Mrs. Mary C. Beach was nominated by Mrs. Burkholder. Mrs. Beach declined nomination.

The tellers, Mrs. Hodgkins, Chairman, Miss C. B. Barlow, and Mrs. Brumbaugh, announced the election of Mrs. Murphy, Mrs. Main and Mrs. Potts as councillors and of Mrs. Martin as Corresponding Secretary to fill the *unexpired term* of Mrs. Potts.

During the time the tellers were counting the votes, Miss Hadel of the Maryland Chapter read a very interesting family paper on Robert Kent, her ancestor, who founded Kent County, Maryland, and the Historian read extracts from a very delightful paper written by Mrs. Knous of Connecticut.

A rising vote of thanks was extended to Mrs. Myers who so beautifully entertained us.

Mrs. Potts sang Star Spangled Banner and the Court adjourned.

Respectfully submitted,

EMMA CULVER JONES,
National Recording Secretary.
